

ZAP 2 Pull Up Banner (1220mm x 2250mm)

This template is set up at quarter size.

The final visible area (represented by the shaded area) when we enlarge from this document is: 1220mm wide x 2250mm deep, plus 250mm 'bleed' at the bottom which is retained within the base of the unit. Please extend your background to include this 'bleed' however do not place text or images in this space.

When placing images please ensure they are CMYK and at least 600dpi when placed at 100% within this document.

Please make sure all text is set as outline and placed as an eps file.

Please supply final artwork as a high resolution PDF. No bleed or crop marks are required.

If you require any assistance please contact Business Printing Services on 1300 994 844 or info@businessprintingservices.com.au

Everything above this line will be visible.
